

Dear Dr. Makhzoumi,

at the end of the [Rome MED - Mediterranean Dialogues](#), I would like to warmly thank you again for your contribution within the session *Economic partnerships and foreign investments: a tool for growth* and for your support in turning the III edition of MED into a milestone.

The over 30 panels and meetings of MED and preMED brought together about 45 Heads of State, Ministers and top representatives of international institutions from 56 countries, 800 leaders in politics, business and culture, and experts from 80 think tanks and international institutions.
